AT THIS TIME WHAT CAN BE OPEN/OFFERED ON CAMPUS?

- Schools are currently required to provide instruction through distance learning. Other essential functions and services may still be conducted campuses including:
  - Food Services
  - Supply and food distribution
  - Essential operations

Current Public Health Order

“All public, charter and private schools shall not hold classes on the school campus, and shall conduct distance learning only as required by COVID-19 an Reopening In-Person Learning Framework for K-12 Schools in California, 2020-2021 School Year issued by the California Department of Health Services.”

CAN PARENTS OR TEACHERS HOST MULTIPLE NEIGHBORHOOD KIDS IN THEIR HOME FOR DISTANCE LEARNING?

- This is not an allowable practice. Gathering children from multiple households together in a backyard or other setting would violate The Public Health Order's prohibition on gatherings

Next Steps

1. Build an Improved Distance Learning Program
2. Monitor Local Health Indicators for Progress
3. When our county is removed from the watchlist we will begin a transition to safe on-site learning
4. The school will continue to monitor local and community health and make decisions accordingly

Data updated: 7/28/20

Epidemiology (Surveillance)

1. Case Rate
Greater than 100 per 100,000 for the 14-day case rate, measured using date of illness onset with a 3-day lag

130.1 ✗

2. Community Outbreaks*
Seven or more new outbreaks in community settings in a 7-day period

20 ✗

3. COVID-Syndromic
Upward trajectory of COVID-like syndromic cases reported within a 14-day period

2% ✓

4. Influenza Like Illness
Upward trajectory of influenza-like illnesses (ILI) reported within a 14-day period

3% ✓

Healthcare (Hospital Capacity)

5. Hospital Capacity
Approach 80% capacity for all hospital beds in the county

71% ✓

6. Increasing Hospitalizations
>10% increase in the number of confirmed COVID-19 patients currently hospitalized, measured as an average of the past 3 days

1% ✓

7. ICU Capacity*
<20% availability of ICU beds

39% ✓

8. Limited Ventilator Capacity
<25% availability of ventilators

49% ✓

9. PPE Supply*
≤50% of hospitals have at least a 22-day supply of PPE

76% ✓

Public Health (Response)

10. Testing Positivity
Greater than 8% of positive tests as a percent of total tests, measured using specimen collection

6% ✓

11. Case Investigation
70% or less of investigations are initiated within 24 hours of notification over a 7-day period

11% ✗

12. Contact Tracing
Make first contact attempt for 70% or less of close contacts of new positive cases within 24 hours of

92% ✓

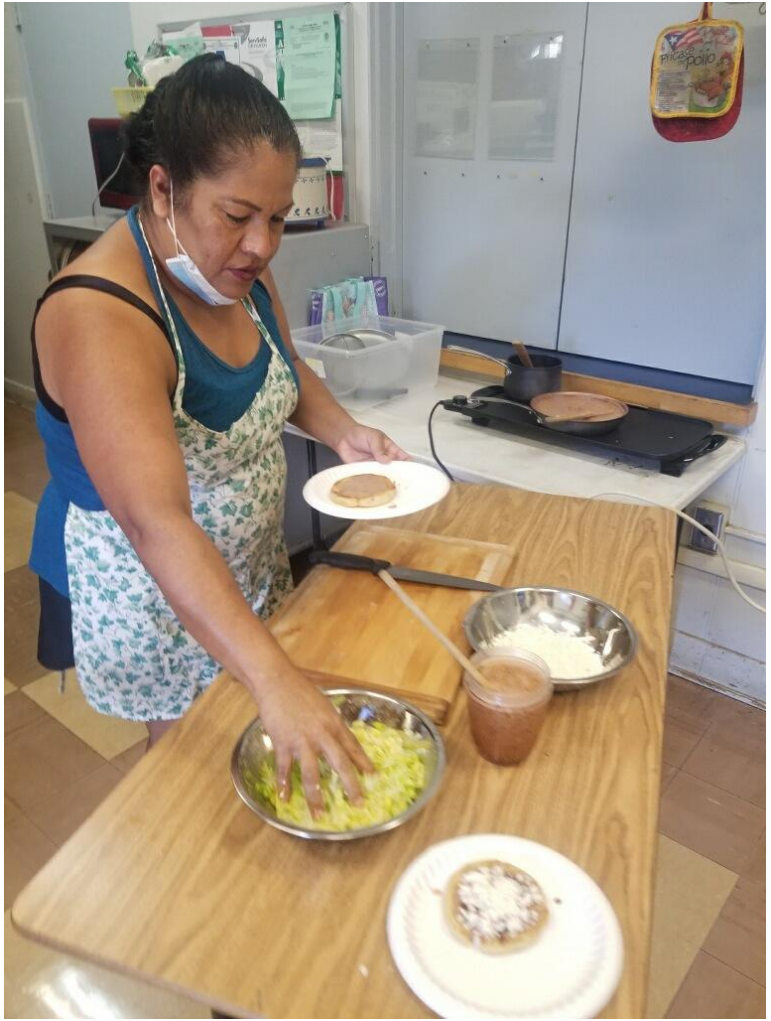
13. Homeless Population
Temporary shelter available for less than 15% of homeless population

36% ✓

"We're having Spirit Week at home since there's no school for the kids. Today, we're kicking it off with 'Meltdown Monday."

Summer Learning Series

- Cooking with Fractions
- Math video lessons series 5-8
- Middle School Advanced Lit Book Club
- Mexican Food Cooking With The Front Office Ladies
- Meetings with Morgan
- Parent classes that focus on mindfulness, how to work with dysregulated students, how to re-engage kids during distance learning.
- Summer video series on how to best work with your kids during distance learning



MS Book Club

The summer series book club has gotten off to a slow start. I'd like to 'reboot' it next week in order for more to participate.

The summer series book club takes place on Tuesdays and Thursdays from 10am -11am, via zoom. The link for next week is posted in the book club google classroom.

Contact me via email (julian@sdccs.org) to let me know you are interested.

Join the book club google classroom - I have posted the first assigned reading in google classroom. **The add code for the book club google classroom is: sfl4ft5**

For our first meeting will be next Tuesday.

1. Please read the first 3 chapters, pages 1-47.
2. Take a look at the posted questions. I will be breaking the kiddos up into 3 different groups. We'll be using them to spark discussion.
3. Zoom meeting info below:

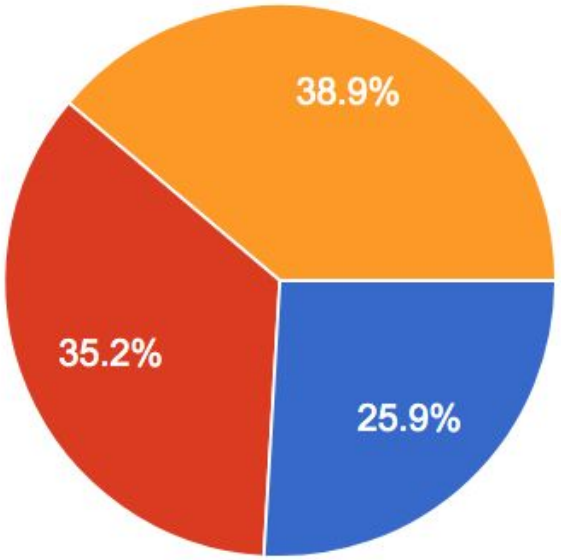
Parent Survey Initial Results



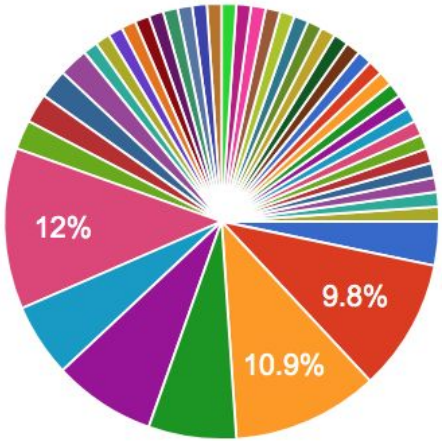
- 100% distance learning/100% de aprendizaje a distancia/100% de aprendizaje a distancia
- Hybrid learning (two days a week) Aprendizaje híbrido (dos días a la semana)
- Hyflex learning (four day a week) / Aprendizaje Hyflex (cuatro días a la semana)

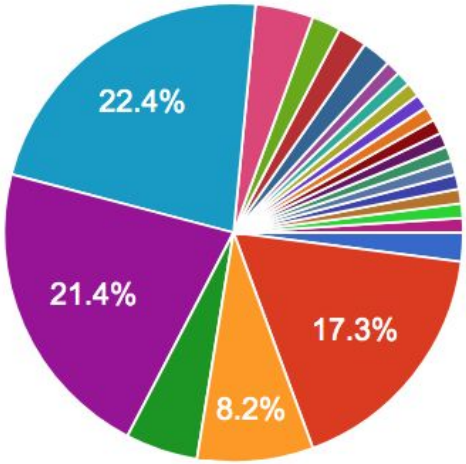
What is to come?

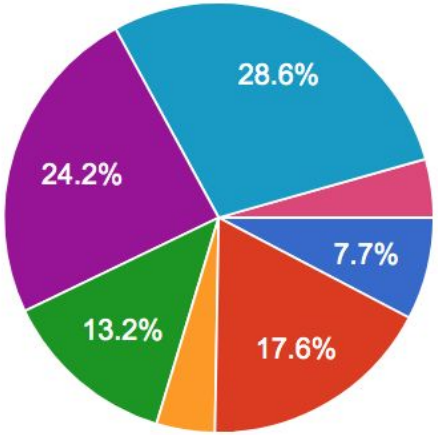
I will further disaggregate the data and share with you our schools collective needs.

We will use this data to strengthen our programs.

Diversity makes us strong but challenges us to meet everyone's needs.



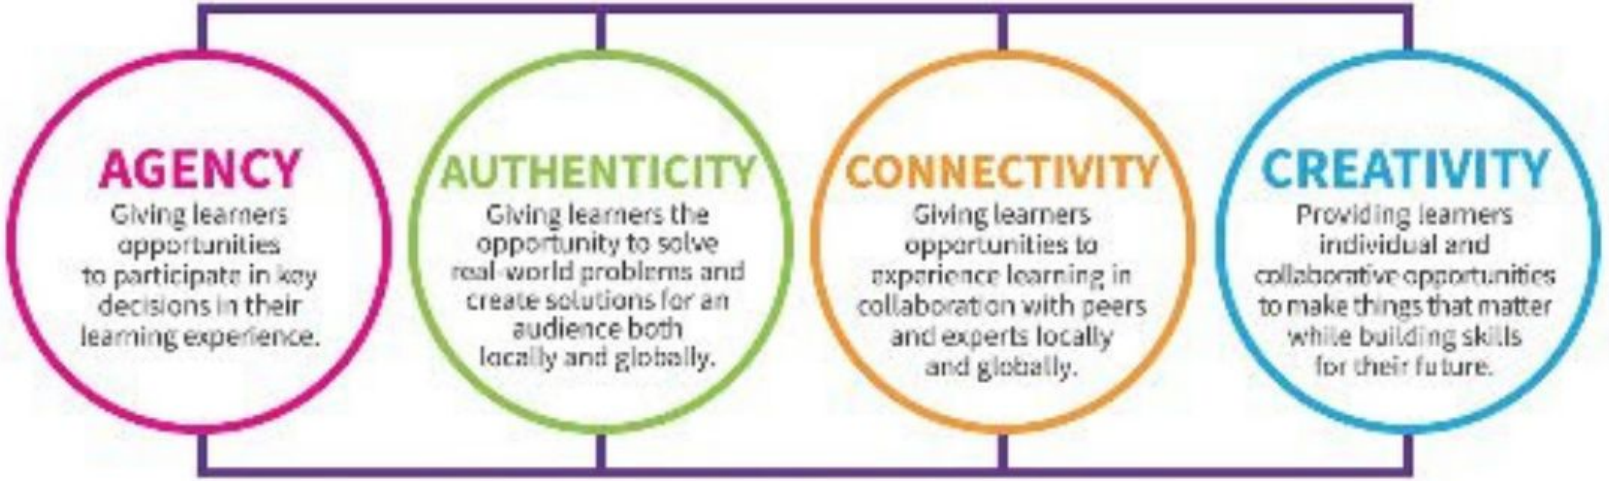




We are currently working to supplement our distance learning program by creating different learning clubs in the fall to support academic advancement and engagement.

Personalization

Co-creating unique learning pathways and experiences for individual learners



Data Driven Decision Making

Formative data is used throughout process to drive personalization
