

# Back to School Supply List Primary 2020

Typically, these supplies would be shared among the entire class; however, due to Covid-19, each child will need their own supplies at the beginning of the school year for distance learning. If you are able to purchase additional supplies for another family who is unable to do so, that would be greatly appreciated.

- Amazon Gift Cards
  - There are supplies that are needed for the classroom that may need to be purchased as a singular item (recycling trash bin or a particular color of construction paper) or repurchased regularly (pencils, markers, books, etc.), as well as project supplies, so we gratefully accept AMAZON gift cards for such purchases.

Each Child Will Need One of the following: For your convenience, we have included links to some of the necessary items. Please use these links so the children have the right supplies.
